

INNOVATION DRIVEN BY COMPETITION

March 19, 2020

To our valued Customers and Suppliers,

During this unprecedented time, we wish the health and wellbeing of everyone. The current circumstances related to COVID-19 are challenging and unprecedented and rest assured BD is doing everything possible to ensure the protection of our staff and community, along with servicing our customers and suppliers.

BD has already implemented,

- Additional daily work place cleanings and disaffecting during and after workday hours.
- Any employee that are able to, will work from home.
- Required employees to social distance and take additional process steps to isolate.

At this time, we continue to ship on schedule and maintain our current hours of operation. We are doing everything in our power to ensure there is no interruption of service. We ask you to evaluate your current and future needs and please place orders with us as early as possible to help us in our sourcing and production efforts.

Christian Roth
